“ATTENTION ALL UNION MEMBERS”

- Your Negotiating Committee met with the Company on the 23rd of January and gave them our Non-Economic package.
- We then met again on the 30th of January and the Company gave us a proposal for a 1-year extension of the current contract, due to the recent information handed down from corporate about the studies being performed at 30 plants.
- Your Negotiating Committee will continue to meet with the Company regularly to negotiate a fair and equitable agreement. Until then lets all keep up the good work and stay focused!

“By standing strong and solid we can’t be beat”
