

Union Membership is Power

Any time new workers get to join a union in Kansas all union members gain. We gain by having more power in the local economy and more power in local and national politics. We need your help to make all union members more powerful. Please take a moment and complete the questions below and return this to your shop steward or union official.

1. Please check next to the company name if you know anyone who works with the following employers:

Company	Number of workers you know at this company
<input type="radio"/> _____	_____ ?
<input type="radio"/> _____	_____ ?
<input type="radio"/> _____	_____ ?

2. How do you know these workers? (Check all that apply)
